Condition Report

781. Single stone earrings - size of opal approx 1.2cm x 1cm. One opal has some hydration cracks which are noticeable without magnification. Very minor surface wear. Mismatched butterflies. One post ever so slightly bent to one side.

Pendant earring - very light surface wear to the opals. One seed pearl to one earring slightly different in colour, perhaps a later replacement. Stronger play of colour compared to the single stone earrings. Generally in good condition.
