LOT 614

A late Victorian 18ct gold ring, star gypsy set with three cushion cut diamonds between decorated shoulders, Birmingham 1887, weight 1.8g, ring size approx K1/2.

Estimate: £80 - £120

Condition Report

614. The diamonds have one or two internal inclusions. Ring has thinned to the back of the shank. Appears to be a slight unevenness/split through one part of the hallmark, but there is no evidence of solder. Light general surface scratching to the ring overall.
