LOT 2021

An early 18th century oak bureau, the fall-front revealing a fitted interior and a well, above two drawers, on turned feet, height 104cm, width 85cm, depth 53cm (some alterations).

Estimate: £80 - £120

Condition Report

2021. General appearance and condition is reasonably good. Both side support lopers are present, but the interior runners are detached so the lopers don't run properly. Otherwise the dummy drawer did have handles and escutcheon which are now missing. There are some loose and replaced pieces of moulding throughout but otherwise reasonably ok.
