LOT 2931

A Kerman carpet, Central Persia, mid-20th century, the red field with a floral medallion, within a midnight blue palmette, boteh and curled leaf border, 504cm x 342cm.

Estimate: £400 - £600

Condition Report

2931. General appearance is ok but there are some areas of 'colouring in' to the worn pile. It's not that noticeable but there are definitely patches which have been coloured in red to the central field.
