### LOT 2597

A late Victorian gilt brass and pink glass table oil lamp of small proportions, with a matching moulded glass shade, height 35cm, together with a pair of brass open barley twist candlesticks.

Estimate: £30 - £50

### Condition Report

2597. There is a reasonably large amount of putty around the base of the font, so can't be sure what its bottom edge is like but it appears to be ok. The shade also appears not to have any cracks or chips to edges.
