## LOT 1180

A Chinese Imari porcelain ginger jar, 18th century, the ovoid body painted and gilt with a pair of phoenixes flying amidst peonies, underglaze blue double ring to base, height 21.4cm.

Estimate: £400 - £600

## Condition Report

1180. Generally good condition. No significant damage or repairs. Typical wear to enamels and gilt particularly to one area of iron red decoration. It looks like it may have been a lamp base at some stage as there is glue residue around the outside of the rim/neck which would require cleaning/removal, but it obviously was not drilled.
