## LOT 1095

A Chinese brown patinated bronze tripod censer, Qing dynasty, the compressed circular body incised with vapours, beneath a similarly decorated outswept rim and upright loop handles, raised on three short feet, incised two-character mark to base, weight 1305g, height 12.7cm, together with a carved hardwood stand (chipped).

Estimate: £100 - £150

## Condition Report

1095. Generally good condition with no significant damage or repairs. Couple of minor/small dents to body, but not obviously noticeable. The censer is in very dirty condition and would certainly benefit from a clean. Wood stand has chips/losses to carved edges, but otherwise ok.
