LOT 1334

A Chinese brass and hardstone mounted hardwood table top cabinet, 20th century, fitted with a pair of cupboard doors opening to reveal four drawers above a further drawer, height 28.5cm.

Estimate: £80 - £120

Condition Report

1334. The cabinet is in generally good. Condition with no significant damage or repairs. Its a bit dusty and dirty and would certainly benefit from a clean. Some minor lifting to edges of some of the brass mounts and some minor scuffs to the carved hardstone panels, but nothing of any real significance. End section of lock is missing.
