## Condition Report

501. A couple of small dents to front bottom edge and a dent/scratch to the upper left of the star. Central diamond has a chip to a side facet and two of the surrounding diamonds have larger chips to their sides, all apparent when viewed under x10 loupe. The interior rims to the glass are a rose gold colour, one is bent in place, with a small split. The back has a dent to one side. The suspension ring has an indistinct mark, possibly indicating Austro-Hungarian and 14ct gold.
