LOT 2178

An early 20th century primitive stripped pine box seat bench, height 94cm, width 172cm, depth 56cm.

Estimate: £80 - £120

Condition Report

2178. On inspection it appears that this piece was probably put together at some point in the late 20th century, using old reclaimed wood in a rustic style. There is some old historic woodworm and some natural occurring cracks in some of the panels, but it is otherwise in good order.
