LOT 2024

A late 18th century provincial oak circular cricket table, raised on block legs, united by an undertier, height 61cm, diameter 74cm.

Estimate: £200 - £300

Condition Report

2024. The top has a thin crack along one edge and is slightly loose to the base. The undertier has some gapping to the timbers and there is some scattered minor woodworm holes to areas of the base. Nicely worn in places and a few small chips to edges of undertier.
