LOT 2105

A mid-20th century Vanson teak modular wall unit designed by Peter Hayward, the four sections with black painted supports, each unit width 68.5cm.

Estimate: £200 - £400

Condition Report

2105. Condition is generally quite good overall, with some fairly typical overall scuffs and marks to corners and edges, as well as surface scratches to the metalware items.

The two deeper units are height 46cm, width 68.5cm, depth 41cm.

The two shallower units are height 34cm, width 68.5cm, depth 30cm.

All four units can be separated and stacked in whichever order is required, with spare rods and bolts for extra attachment requirements.
