LOT 2440

An early 20th century stained oak stick stand, possibly by Robert 'Mouseman' Thompson, worked with an overall adzed surface, raised on octagonal section legs, height 73cm, width 70cm, depth 26cm. Note: whilst this stand does not have a mouse signature, it does have stylistic similarities to some of Robert Thompson's work.

Estimate: £500 - £800

Condition Report

2440. There is a crack to one of the uprights at the top corner, as well as some overall scuffs and marks to the stained surface. The liners are crudely made replacements.
