

Furniture / Thu, 16th September 2021 / Lot 2045

### LOT 2045

An early 20th century wrought iron tree trunk surround bench of slatted octagonal form, height 74cm, diameter 200cm.

Estimate: £200 - £400

---

### Condition Report

2045. Some overall weathering and surface rust. One of the seat slats is detached on one side and needs a re-weld, but otherwise in reasonable condition.

Seat edge to seat edge the diameter is 203cm. The two pieces wrap around a tree and the interior diameter where the tree would fit is 55cm.
