

Clocks and Barometers / Thu, 30th September 2021 / Lot 1232

### LOT 1232

A George V chinoiserie lacquered mantel timepiece, the engine turned silvered circular dial with black Arabic hour numerals, the dome top case with painted and gilt panels of figures and pavilions in landscapes on a blue ground, height 15cm.

Estimate: £40 - £60

---

### Condition Report

1232. The case is in generally good condition. Typical minor wear and surface scratches. Few nicks to edges but no significant losses or damage. Some minor paint loss to back of case. The movement winds and adjusts smoothly but only runs for a few seconds before stopping.
