Condition Report

1812. All coins are very much as can be seen in the images on our website.

1853 1 dollar - 1.7g, 13mm diameter. Typical light surface scratches, but generally good crisp condition. Please note, this is the Liberty Head rather than the Indian Head.

1862 1 dollar - 1.6g, 15mm diameter. Typical light surface scratches and wear, but the coin lacks a bit of crispness to the detail.

Victoria Hong Kong 20 cents - 5.3g, diameter 23mm. Surface wear and typical scratches.
