LOT 648

A gold and diamond five stone ring, mounted with a row of graduated circular cut diamonds, detailed '18ct', weight 2.2g, ring size approx U1/2.

Estimate: £120 - £180

Condition Report

648. Diamonds are generally bright, white and sparkly stones. They do have a few inclusions noticeable under magnification. One diamond to one side has a small chip to the girdle.

The ring would benefit from a clean, currently black surface residue on a number of the diamonds.

Setting and shank in generally good condition.

Central stone approx 2.5mm diameter.

Side stones approx 2mm diameter.

Outer stones approx just under 2mm diameter.
