LOT 575

A gold, sapphire and diamond ring, mounted with three cushion cut sapphires alternating with two cushion cut diamonds with four pairs of diamond points at intervals, the mount decorated with scroll pierced sides, unmarked, weight 4.6g, ring size approx L.

Estimate: £500 - £700

Condition Report

575. Sapphires are medium to dark colour saturation with a few internal inclusions. One or two nicks to the girdles.

The diamonds appear to be fairly clear, bright white stones.

The ring would benefit from a clean. It is generally in good condition with minor surface wear.

Central sapphire approx 5mm x 4.5mm.

Diamond approx 4.5mm x 4mm.
