LOT 514

A 9ct gold, opal, emerald and diamond oval cluster ring, claw set with the oval opal within a surround of alternating circular cut emeralds and diamonds between split shoulders, weight 2.4g, London 1988, ring size approx O.

Estimate: £80 - £120

Condition Report

514. The opal has some general surface wear. One claw holding the stone is slightly out of alignment. The ring is dirty and would benefit from a clean.

Overall generally in good condition.
