

Jewellery / Wed, 6th October 2021 / Lot 755

### LOT 755

A gold mounted oval shell cameo brooch, mid-19th century, carved as four horses accompanied by three angels, the mount decorated with a Greek key border, unmarked, weight 31.6g, width 6.9cm.

Estimate: £400 - £500

---

### Condition Report

755 - Under strong light there are a few internal cracks on the left side but not noticeable under normal lighting. Crisp carving overall, slightly dirty, would benefit from a clean. Mount in good condition, very minor surface wear. Pin perhaps replaced, in working order, slightly bent. Overall in good condition for age.
