

Firearms and Edged Weapons / Thu, 14th October 2021 / Lot 2320

### LOT 2320

An early 19th century flintlock sea service belt pistol, barrel length 22.5cm, the border engraved lock marked 'G.R.' and 'Tower', full-stocked with brass furniture.

Estimate: £250 - £350

---

### Condition Report

2320. Overall knocks and splits to woodwork. Evidence of old pitting to steel components. Can be cocked etc. Ram rod with various punched ordnance marks to stock. Some pin holes visible to woodwork below barrel with pin lacking. Various bruising to brass work. Possible alteration to trigger guard area as brass work looks a little ill fitting at points.
