LOT 2505

A Type 447 Secomak hand-operated siren in grey livery with turned wood handle and shaped supports, height 82cm.

Estimate: £70 - £100

Condition Report

2505 - When turned it does make a high pitched whirring noise but there doesn't appear to be a way of changing the pitch and the handle does seem to stop when slowing down and make a loud clicking noise.
