### Condition Report

515. There is slight surface wear to the facet edges of the central sapphire and to one further sapphire. This second sapphire also has a crack extending from the table facet to the edge of the stone. The other three sapphires are in better condition. The rose cut diamonds have a few internal inclusions and slightly draw colour. The ring is clean and apart from showing some signs of wear is in reasonable condition. Suggested age circa 1915/20. Diameter of central sapphire 4mm.
