LOT 535

A white gold and diamond full eternity ring, mounted with princess cut diamonds, weight 6.3g, ring size approx L1/2.

Estimate: £1,000 - £1,500

Condition Report

535. Slight variation of cut to the diamonds. The diamonds look to be attractive clear white stones. Some wear and surface nicks to the edges of the front of the band. All diamonds are in good condition. The ring is not marked, but feels dense and would therefore be high grade gold. It is slightly wearing down to yellow on either side of the band. Unfortunately we are unable to provide a professional diamond grading for this ring.
