### LOT 710

A gold, rose cut diamond and carved green agate intaglio ring, second half of the 19th century, the intaglio carved as a seated classical figure within a surround of rose cut diamonds between decorated shoulders, indistinct mark, weight 4.6g, ring size approx O, with a case.

Estimate: £250 - £350

---

710. The central green agate has some surface wear, not affecting the intaglio design. Some variation of size of the surrounding rose cut diamonds. Some wear to both sides of the mount. From the colour and density it is probably high grade gold, perhaps 15ct. Size of the head of the ring 11mm diameter approx. Total diamond weight, possibly 0.2ct.
