

Jewellery / Wed, 3rd November 2021 / Lot 748

LOT 748

A varicoloured lava cameo link bracelet, formed as a row of six oval varicoloured lava cameos, designed as portraits of gentlemen, on a snap clasp, length 19cm, each cameo link dimensions 3.5cm x 2.9cm.

Estimate: £60 - £80

Condition Report

748. Three of the cameos are damaged. The clasp cameo is cracked behind the head. The next one to this is cracked behind the portraits back. The dark grey cameo has a sage green filler on either side, this is hiding the true nature of the damage. The second cameo in from the opposite end is cracked and has a large chip through the cameo below the bottom of the beard. The other two are ok apart from glue residue to the backs. The setting and clasp are not marked. The settings may be a very low grade silver. Suggested age – second half 19th century.
