LOT 555

A Tiffany & Co white gold oval sprung bangle with T-form terminals, detailed 'Tiffany & Co Au 750 Germany', weight 28.8g, inside width 5.5cm.

Estimate: £800 - £1,200

Condition Report

555. Quite tarnished. Hinge in good working order, however the alignment of the two 'T' terminals is slightly skewed. There is some slight movement to one arm from the hinge which may explain why it is not sitting in perfect alignment. The Tiffany mark is clear.
