

Jewellery / Wed, 3rd November 2021 / Lot 612

LOT 612

A 14ct gold pendant, mounted with an opal doublet, weight 1.9g, length 2.8cm, with a 9ct gold curb link neckchain on a boltring clasp, weight 2.3g, length 40.5cm, with a case.

Estimate: £60 - £80

Condition Report

612 - The opal is a doublet, the unevenness to the play of colour would suggest natural. The opal is cracked and this is unfortunately fairly evident in the top half and can be felt under the finger. Some general wear to the setting. The chain is in good condition. Would benefit from a clean.
