LOT 501

A Victorian gold and cabochon rock crystal circular pendant, circa 1870, with a beaded and ropetwist surround, unmarked, weight 10.1g, length 3.7cm.

Estimate: £200 - £300

Condition Report

501 - Some slight discolouration to the gold setting, particular to the back. One of two tiny dents to the beaded surround.

Rock crystal in overall good condition, with very minor wear. An attractive piece.

2.7cm diameter (excluding suspension loop). 1.6cm diameter approx for rock crystal.
