

Jewellery / Wed, 3rd November 2021 / Lot 546

LOT 546

A gold, platinum and diamond five stone ring, mounted with a row of cushion cut diamonds graduating in size to the centre stone, detailed '18ct & Plat', weight 2.8g, ring size approx N, with a case.

Estimate: £120 - £180

Condition Report

546. Central diamond approx 2mm diameter. Both diamonds directly next to the central stone have chips to their tables. One larger than the other. The diamonds appear to be fairly bright white stones, with one or two internal inclusions. One or two claws beginning to show signs of wear. General light surface scratching to shank.
