LOT 565

An 18ct gold and diamond single stone ring, mounted with a circular cut diamond, detailed '.75', weight 3.6g, ring size approx L.

Estimate: £550 - £650

Condition Report

565. Stone size approx 5.5mm diameter, 2.5mm depth. The diamond has two internal fissures which are both visible without the 10x loupe, one spreading across two claws, the other beside one claw. The stone otherwise has one or two dark mineral inclusions. The stem is a fairly white and bright stone otherwise. Minor thinning to the shank, with overall light surface scratching.
