LOT 579

A gold ring, claw set with an oval opal in a twist abstract design, detailed '9ct', weight 2.1g, ring size approx N1/2, with a case.

Estimate: £80 - £120

Condition Report

579 - General light surface scratching to the opal noticeable with the 10 x loupe and in certain lighting with the unaided eye.

The opal has a play of colour largely in the blues and greens. Opal approx 11mm x 8.5mm.

The ring is dirty, would benefit from a clean. Light surface scratching to the shank. Otherwise the ring is in good condition.
