### LOT 582

An 18ct white gold, emerald and diamond oval cluster ring, claw set with the oval cut emerald within a surround of twelve circular cut diamonds, London 1979, weight 3.8g, ring size approx N.

Estimate: £200 - £250

### Condition Report

582 - The emerald has a slight unevenness of colour. It is fairly included and in certain directions you can see some iridescence from a couple of internal fractures.

The diamonds are fairly clear stones and appear bright and sparkling. The ring would benefit from a clean.

Minor light surface scratching otherwise.

Emerald size approx 6.5mm x 5mm.
