LOT 587

An 18ct gold, purplish-red sapphire and diamond oval cluster ring, collet set with the oval cut purplish-red sapphire within a surround of ten circular cut diamonds, Sheffield 2000, weight 5.3g, ring size approx N1/2.

Estimate: £400 - £600

Condition Report

587. The ring is dirty and would benefit from a professional clean.

The ruby is of medium to dark colour saturation and appears to be a fairly included stone.

One or two tiny nicks to facet edges.

The diamonds look to be fairly bright stones with one or two inclusions.

Some general light surface scratching to the setting and shank.

Generally in good condition overall.

Ruby size approx 6mm x 5mm.
