LOT 800

A gold, sapphire and diamond ring, mounted with three oval cut sapphires and two pairs of cushion shaped diamonds, weight 3.3g, ring size approx N.

Estimate: £150 - £250

Condition Report

800. Central sapphire has a few heavy scratches to the table. The sapphire to one side also has a few scratches and nibbles. The third sapphire has one or two nicks to facet edges.

One sapphire is slightly more included than the others and slightly darker in appearance.

One larger diamond has a chip to the table face edge.

The diamonds have a few internal inclusions but are quite bright white stones.

Some wear to the sides of the setting, probably due to wear with other rings.

Slight rubbing to the engraved decoration to the shoulders.

Some thinning to the shank.

Central sapphire approx 4.5mm x 4mm.
