### LOT 13

Peter Irwin Brown - 'Japan, Japanese Government Railways' (Travel Poster), lithograph, printed by Kyodo Printing Co., Tokyo, circa 1934, 102cm x 62.5cm, together with another Japanese Government Railways poster.

Estimate: £100 - £200

### Condition Report

13. Blue Shinto-gateway poster - numerous edge tears: approx nine along the left edge, the largest of which is 2cm; two along the lower edge, the largest of which is 10cm and extends into the image immediately to the right of the 's' in 'Railways'; two edge tears from the upper edge, the largest being 9.5cm, terminating at the first cross support of the Shinto gateway.

Localised areas of foxing, mostly contained to the four corners. Minor surface/handling dirt to the margins. Triangular shaped tear inside the image upper left on the second branch that extends diagonally towards the upper left corner.

Damages should restore well.

Pagoda/Blossom poster - considerable issues. Four deep horizontal creases and other minor creases. Heavy foxing localised to the lower margin. Three edge tears at left edge. Two paper losses upper right corner, localised to the margin, the largest being 4cm x 2cm. Two edge tears from the top edge, longest being 4cm. Other very minor blemishes.
