## LOT 1262

A Chinese famille rose porcelain ginger jar and cover, Guangxu period, the ovoid body painted with confronted iron red dragons on a millefleurs ground, iron red 'China' to base, total height 20.5cm (hairline crack to rim).

Estimate: £180 - £240

---

## Condition Report

1262. There is a hairline crack to the rim which runs the entire height/length of the jar and stops at the footrim. Otherwise good condition with no other significant damage or repairs. Typical surface wear and scratches to enamels, slightly more pronounced on the cover.
