LOT 2069

A William and Mary oak chest of four long drawers with applied geometric mouldings, on bun feet, height 90cm, width 94cm, depth 59cm (some alterations).

Estimate: £100 - £200

Condition Report

2069. General condition overall is good and fairly original. The handles are good replacements and there are other filled-in holes to the drawer fronts where other handles would have been. The feet and blocks are later replacements. The top appears to be the original and the whole piece is a bit cleaned back. Otherwise some minor knocks and bumps, a few replacement screws to the back panels and some minor woodworm around base.
