LOT 2122

An 18th century Italian Savonarola walnut framed armchair with finely carved back panel and typical 'X' framed base, height 94cm, width 70cm, depth 50cm. Provenance: from the estate of a West Sussex collector.

Estimate: £60 - £100

Condition Report

2122. There is some overall general surface wear and some minor chips to edges. The top crest has a small area of repair and the whole chair is slightly fragile, as they usually are. There is slight front to back movement to the joints, but it does not seem to be twisted and does sit straight.
