

Furniture / Friday, 12th November 2021 / Lot 2167

LOT 2167

A 19th century Welsh primitive sycamore and ash dairy stool, height 30cm, diameter 26cm, together with a Victorian painted child's chair, height 45cm, width 35cm.

Estimate: £80 - £120

Condition Report

2167. The dairy stool has a few thin cracks and a sizeable old chunk missing to edge. Also all three legs are held in by a screw put through the top.

The chair has overall surface dirt and wear. The seat panel is a replacement.
