

Collectors' Items, Works of Art and Light Fittings / Friday, 12th November 2021 / Lot 2512

LOT 2512

Stefan Dakon - an Austrian Art Deco silver and gilt patinated cast bronze figure of a dancing girl with carved ivory head and hands, bearing cast signature, raised on an onyx base, height 24cm.

Estimate: £150 - £250

Condition Report

2512. There is a very thin hairline down her face and some overall surface dirt and slight oxidization to the metalwork. The base has some very small nibbles to the bottom edge.
