LOT 2579

A pair of mid-20th century cast gilt metal and glass ceiling lights, height 46cm, width 24cm.

Estimate: £50 - £80

Condition Report

2579. There does not appear to be any missing parts, apart from one of the twin light fittings inside the shade. There is some wear and flaking to the painting rim and some overall dust and tarnish. Otherwise the lights need tightening up, as they are slightly wobbly, but should come together ok.
