

Asian and Islamic Ceramics and Works of Art / Thu, 11th November 2021 / Lot 1055

LOT 1055

A Chinese Canton export tortoiseshell circular snuff box and cover, mid-19th century, finely carved in relief with figures, pavilions and trees in village scenes, diameter 8.6cm, together with a similarly decorated export horn snuff box and cover, diameter 9.4cm (repaired).

Estimate: £120 - £180

Condition Report

1055. Tortoiseshell box is in generally good condition. Lid fits well. No significant damage or repairs. Typical light surface wear and scratches and a few tiny nicks, but nothing significant.

Horn box - has a repair to the side of the cover, as well as small chips to edge of the cover. The base of the box also has a repaired rim and sides, minor chips and wear, and minor natural shrinkage cracks.
