LOT 1698

A pair of Imperial Amphora Austrian figures, late 19th/early 20th century, each modelled as a female water carrier, raised on a circular base, one with impressed mark including '4938 29' to base, height 58cm.

Estimate: £60 - £100

Condition Report

1698. Woman holding carrier on head - some professional restoration to arm supporting the carrier on the head. Small firing crack to base.

Other figure - insignificant firing crack to right hand.

Both have some wear, heavy in places to the gilt decoration, with some darker areas of discolouration in the creases. Both would benefit from a professional clean as quite dirty in places.
