

British and Continental Ceramics / Thu, 25th November 2021 / Lot 1595

## LOT 1595

A Moorcroft Pomegranate pattern vase, circa 1913-25, impressed mark and painted signature to base, height 26.3cm.

Estimate: £200 - £300

---

## Condition Report

1595. The vase is heavily finely crazed overall and where the craze lines cross the glaze seems to have degraded resulting in unsightly cloudy/opaque patches to the majority of the surface but particularly noticeable over the blue ground. Some of these marks are possibly also dirt, but the majority do not seem to be removable with a basic clean. No cracks, chips or restoration.
