

Glassware / Thu, 25th November 2021 / Lot 1756

### LOT 1756

A Lalique frosted glass Dahlia pattern circular powder box and cover, post-1945, diameter 11.5cm, together with a matching large perfume bottle and stopper, post-1945, height 17cm, each etched 'Lalique France' to base.

Estimate: £120 - £180

---

### Condition Report

1756. The bottle has a small shallow chip to the corner of the base, but otherwise appears to be in generally good order. It is a little dusty and dirty. The stopper is stuck in place, it does not move at all, but we have not exerted any great pressure.

Box and cover in generally good condition with no significant damage or repairs, just some light scuffs to edge of base.
