LOT 79

Alfred Heaton Cooper - Oarsman Gardener beside a River, watercolour, signed and dated 1886 recto, exhibition label verso, 49.5cm x 32cm, within a gilt frame. Note: an early work by the artist displaying the influence of his teacher George Clausen.

Estimate: £150 - £250

Condition Report

79. A little faded with associated muting of colour to an already tonal palette. General age toning and light browning to the paper too. The mount is modern, but the backing is wood panel so hopefully there is some barrier board between the two. The frame is in good condition with very minor scuffs to the extremities. Unexamined out of frame.
