### Condition Report

158. Generally in good condition. Some minor surface dirt. Old varnish has dulled and yellowed. UV examination highlights small area of overpainting to the back legs of the horse and to the background nearby. Some other touches of overpainting including curious dots to the left and top edge in the sky. Very minor craquelure.

Oak frame has some chips and scuffs and an irregular gnarled bottom left corner. The gilt slip looks to have been affected by damp and is a little mouldy.
