

Jewellery / Wed, 8th December 2021 / Lot 569

### LOT 569

A pair of late 18th century gold, emerald and colourless gem set earrings, probably Iberian, with wire fittings, unmarked, weight 5.6g, length without the drop 3.4cm, drop length 2.5cm (one pendant drop detached, the other drop lacking).

Estimate: £80 - £120

---

### Condition Report

569. When viewed from the back there are various apparent old repairs. The wire fittings are later replacements. There is evidence of previous hinge fittings which are no longer functioning. The two bow form drops may have been reassembled in the past, resulting in one now being upside down. There is some damage to some of the emeralds. The existing drop has a replacement top loop, note the other drop is missing.
