LOT 619

A gold circular link necklace, the front with six variously carved coral pendant drops, unmarked, weight 14.7g, length 46cm (one coral detached, another lacking).

Estimate: £100 - £150

Condition Report

619. The corals in the past have probably been dipped in a cleaning fluid, which has left a white deposit on the surface and they are lacking polish. Note the variation of carving design to the coral drops. Note variation of the top caps to the coral drops, one is decorated, the others are plain.
